

**Ministry of Energy, Northern Development and Mines  
Northern Ontario Economic Development Survey**

**Organizational Information**

**Organization:**

**Contact Name:**

**Contact Information (phone/email):**

**What community or region does your organization represent or support?**

**What industry(s) or sector(s) does your organization represent or support?**

3. Are there any immediate measures that the provincial government could support that would enable your organization, or the members you represent, to adjust and/or adapt to the current conditions?

4. What supports would organizations or the local business community need in the short and long-term as the economy is reopened?

5. What types of action would businesses or organizations like to see from different levels of government to get the economy moving again?

6. As Ontario works towards economic recovery, are there any specific projects, initiatives or innovative ideas that you are aware of in your region and/or association as they relate to Northern Ontario that you believe the government could support?

7. Are there any initiatives that could be introduced that would benefit your organization, or the members that your organization support, that have no fiscal impact? (e.g. regulatory)

8. Please provide any feedback you believe would be beneficial to Ontario's response to the economic challenges facing Northern Ontario as a result of COVID-19.

9. Please provide any additional comments, suggestions, and/or concerns.
